I am a multidisciplinary designer with 6 years of experience. I produce user-oriented, creative solutions in the fields of UI/UX, graphic design and brand communication.

Experience

Freelancer / Designer

DEC 2019 – Present

I have been solving people's design needs as a freelancer for 6 years.

Bonegraft Biomaterials / Art Director

AUG 2021 – AUG 2022

I was involved in the design projects of the company that produces bone grafts and solved the packaging, social media, brochure and catalog designs.

Octovus Agency / Graphic Designer

MAR 2021 – JUN 2021

At octovus advertising agency, we produced social media content for textile companies, banner social media design and animated ads

Çeşmi Cihan Basım Yayın / Graphic Designer

JUN 2020 – SEP 2020

We created the design and brand of History magazine for Çeşmi Cihan company and produced content for social media.

Majesty Agency / Graphic Designer

AUG 2017 – SEP 2019

I developed myself in many design areas such as social media content and brand design in the company where I first started learning my profession.

Other Experience

Pitstop Health Agency / Art Director

DEC 2023 – JAN 2024

Pitstop Health Agency freelance project work.

Mediterranean IT Summit / Participant

DEC-2017

I attended the IT seminar in Antalya during my university years.

Bilge İş / Basic Design Principles

APR 2021

Basic Design Principles certificate course

Hotplanet / Graphic Designer

FEB-2024

As a freelancer, I took part in the sexual product packaging design project for the hotplanet brand.
